

CALL FOR ABSTRACTS

The ultimate journey from dumpsites to a circular economy: best practices & innovative solutions for low- and middle-income countries

ONLINE CONFERENCE, 12-13 JULY 2019

FREE REGISTRATION AND PRESENTATION

Winners of the top presentations will be funded to present again at the ISWA World Congress in Spain!*

About the online conference

The International Solid Waste Association (ISWA) Young Professionals Research Group, in collaboration with BeWasteWise, is pleased to invite students and young professionals from all over the world from both academia and industry to submit their abstracts for the 2nd ISWA YPG online conference which will take place on the 12th and 13th of July, 2019.

This free conference comes after the huge success we achieved in organising the conference in 2018. This conference is an ideal platform for young professionals - under the age of 35 - to get together and share best practices to support the ultimate journey towards a circular economy.

Themes covered in this conference include:

- o Circular economy
- o Dumpsites closure and rehabilitation
- o Waste management best practices
- o Innovation in waste management.
